AASHIQ AHAMED N

Machine Learning & AI Enthusiast

CAREER OVERVIEW

Enthusiastic B.Tech Artificial Intelligence and Data Science graduate with hands-on experience in web development, machine learning, and computer vision. Skilled in Python, JavaScript, HTML and CSS, with a strong foundation in data analysis and machine learning. Capable of developing user-friendly applications and applying AI techniques to solve practical problems. Recognized for adaptability, logical thinking, and effective teamwork, with a passion for learning and innovation in tech.

PROJECTS

- JAZAA FACE RECOGNITION: Developed a facial recognition app using OpenCV and face_recognition for real-time face detection and verification.
- BHARATH INTERN - MACHINE LEARNING: Applied regression and classification models to predict wine quality from physicochemical data.
- TEXT-BASED RPG GAME: Created a JavaScript text-based RPG where players battle monsters, collect items, and defeat a dragon.
- PONG GAME: Built a classic Pong game in Python using Pygame simulating a two-player table tennis arcade experience.
- SYNTHETIC RESPIRATORY AUDIO GENERATOR: Engineered a system to generate artificial respiratory sounds using AI and signal processing for medical data augmentation.

EDUCATION

CRESCENT INSTITUTE OF SCIENCE AND TECHNOLOGY
B.Tech Artificial Intelligence and Data Science
(2021-2025) 8th Semester - 7.54 CGPA

Revoor Padmanabha Chetty Matriculation Higher Secondary School
Higher Secondary School Leaving Certificate (2019-2021) - 85%

Revoor Padmanabha Chetty Matriculation Higher Secondary School
Secondary School Leaving Certificate (2013-2019) -79%

SKILLS

- Python
- HTML
- CSS
- Java Script
- Angular
- SQL
- Java
- MS office
- VS code
- Data Science
- Machine Learning
- Computer Vision

CERTIFICATES

- Robotics AI and IOT, Intel's RAI program. (2023).
- HTML/CSS/JS and MongoDB, CodeTantra Tech Solutions Pvt. Ltd, Hyderabad.
- Web Development Fundamentals, IBM SkillsBuild
- Python Course for Beginners With Certification, Scalar
- MERN stack, Technologics Global Pvt Ltd

LANGUAUGES KNOWN

- English
- Tamil
- Hindi
- Urdu

SOFT SKILLS

- Problem Solving
- Logical Thinking
- Adaptability
- Communication
- Team work
